Introduction to carnival from Minister for Tourism Sport & Recreation, Peter Hodgman MHA

The inclusion of Womens Soccer in the 1996 Olympics has given its 20,000 participants an opportunity to display their talents to a worldwide audience.

Tom Sermani, the Womens head coach, who has just returned from the Womens World Cup will be viewing performances with a view to the 2000 Olympic selections.

Tom will be joined by the coaches from all the intensive training centres for Womens Soccer to assess the impact of their programs and develop future directions. One of these coaches, Tony Walmsley, recently moved from Tasmania to take up his position in New South Wales.

Tasmania has a creditable record in providing players for the national squads with Sarah Fitzgerald currently working hard towards cementing a place in the senior squad.

Zoe Nolan and Stacey Brown were both members of last years under 16 national squad with Zoe, who is a member of the mens ITC program, still eligible for selection this year.

7 states are represented with approximately 120 players in attendance.

The carnival has been a joint organised between the Tasmanian Womens Soccer Federation and the newly formed Soccer Tasmania Ltd.

I welcome all the players to Tasmania and wish you all the best for the carnival and your stay in our state.

Forward from the President Australian Women's Soccer Association

I welcome this opportunity to provide a forward for the 1995 Junior National Championships being held in Hobart.

We are at a watershed in the development of women's soccer in Australia. While some will be disappointed in our performances in the Women's World Cup held recently in Sweden, I was not. It is clear that we are now able to compete effectively with the very best football nations in the world and that we have the respect of those countries. It is significant that we have been invited to travel to the United States in late July to compete in a four-way carnival with the United States, 1995 World Champions Norway and Chinese Taipei.

On the other hand we need further improvement to achieve our goal of a soccer medal at Sydney 2000. In many ways this tournament is the beginning of that process as some of the players "on show" during the week will no doubt be part of our 2000 national squad. The recent introduction of a number of State based ITC programs will also do much to develop our talented young players.

I would like to congratulate all players on being chosen for their State and the State Associations and their team officials for competing in this carnival. I look forward to a fierce competition played within an atmosphere of friendship and fraternity.

I would especially thank the Tasmanian Women's Soccer Federation and their President Mr Don Jarvis for the work they have done to make the tournament possible and at the same time acknowledge the contributions of Soccer Tasmania Ltd and the Tasmanian Department of Tourism Sport and Recreation.

Please accept my very best wishes for a successful tournament.

Dennis O'Brien, President AWSA

Welcome from the president Tasmanian Women's Soccer Federation

On behalf of the Tasmanian Womens Soccer Federation, I would like to welcome Distinguished Guests, Officials, Players and Spectators to the 1995 National Junior Womens Soccer Championships.

The first womens soccer championships held in Tasmania was in 1985 and it was a joint Junior and Youth competition. It is pleasing to see a number of officials and players from that carnival with us again.

As with all carnivals there are a number of behind the scene workers that without their dedication to the sport, these championships would not be possible. To the carnival organiser, Mr Ossie Fitzgerald, the General Manager Soccer Tasmania Mr David Smith, the canteen staff headed by Mrs Jeanette Fitzgerald I express my sincere gratitude.

To all the sponsors who are listed in the front of this program, a special thanks.

To all the teams goodluck and have an enjoyable stay in Tasmania.

Don Jarvis, President TWSF

Message from the Executive Director Australian Women's Soccer Association

On behalf of the Australian Women's Soccer Association, I would like to welcome all players, support staff, parents, friends and visitors to the 1995 Under 16 National Championships.

There is little doubt that women's soccer has experienced unprecedented growth in the last few years.

With the inclusion of women's soccer in the Olympic Program for the 1996 Atlanta Games and the announcement several days later that Sydney would host the 2000 games, we have been fortunate to benefit from record funding from the Federal Government's Australian Sports Commission and the Australian Olympic Committee. This financial support has enabled the AWSA, in conjunction with its state members, to implement a national program to support our elite players like never before.

Our national teams have undergone extensive international tours and training camps in preparation for the recent FIFA World Championships. Several players benefit from training at the Australian Institute of Sport and in many of the states, intensive training centres provide an elite training environment for our up and coming juniors.

With all the above in mind, there can be little doubt that these Championships will see a higher standard than ever before.

It would be neglectful of me if I didn't mention the fine performances of our national team at the 2nd FIFA World Championships for Women held in Sweden. Whilst we were unsuccessful in our attempt to qualify for Atlanta, our national team players did themselves and their country proud, both on and off the field.

Concluding I would like to thank and congratulate our hosts for the week, the Tasmanian Women's Soccer Federation and Soccer Tasmania Ltd for these efforts to date in staging, what I am sure will be wonderful and efficiently administered Championships.

I wish all players a successful Championships,

Peter Hugg, Executive Director AWSA
